

# COUNTY OF YORK

## MEMORANDUM

**DATE:** August 5, 2005 (BOS Mtg. 8/16/05)

**TO:** York County Board of Supervisors

**FROM:** James O. McReynolds, County Administrator 

**SUBJECT:** Expansion of the Thomas Nelson Community College (TNCC) Local College Board

At the request of one of the member jurisdictions to the TNCC Local College Board (James City County), an ad hoc committee was formed to study the current composition of the College Board based on current and projected growth in student population of the member jurisdictions. The committee's recommendation was to increase the representation on the College Board by adding an additional member from Newport News, James City County, and York County.

In order to institute this expansion in the College Board's representation, the Chairman of the TNCC Local College Board has requested that the Board of Supervisors formally approve the expansion as outlined in his attached correspondence. Proposed Resolution R05-147 is attached for your consideration in approving this membership expansion.

If you have need of any further information or require any other staff action, please advise.
